Emma VAN CAMPENHOUDT
Secretary General CEPANI

Dear Members, users, arbitrators and friends of CEPANI,

CEPANI's concern for the health and wellbeing of our staff, and our commitment to our users and friends wherever they are based, inquired that we work remotely as from March 13.

We therefore hope that you understand the precautionary measures we have decided to take in order to maintain our service, while also safeguarding the welfare of our staff.

Although we remain 100% operational, in order for us to deal with any enquiry efficiently, we would be grateful if you would bear in mind that we favor exclusive electronic and phone communication. Box has proven to be very helpful under the current circumstances. Do not hesitate to reach out to us with any inquiries you may have on the practicalities of any ongoing or envisaged CEPANI ADR or domain name cases, we will be very happy to assist you.

We will provide regular updates through our website, and thank you for your understanding and support as we all confront these challenging times.

Keep safe and take care.

» CEPANI SECRETARIAT FULLY OPERATIONNAL DURING THE COVID-19 OUTBREAK

The CEPANI Secretariat is **fully operational** and manages its services by remote though our offices are closed as from Monday 16 March to Friday 17 April inclusive. This is, until further notice, the date set by the Belgian government. This exceptional measure has been imposed on us and is part of a “force majeure” situation with which we must all show solidarity.

We therefore **favor exclusive electronic and phone communication**. If necessary, paper copies can always be deposited at the reception desk of the VBO/FEB, rue Ravenstein 4, 1000 Brussels.

» LE SECRETARIAT DU CEPANI PLEINEMENT OPERATIONNEL DURANT LA CRISE DU COVID-19

Les mesures gouvernementales prises ce 12 mars nous imposent la fermeture de nos bureaux. Nous assurons bien entendu **la continuité du travail** à bureaux fermés, et ce du lundi 16 mars au vendredi 17 avril inclus. Ceci est, jusqu'à nouvel ordre, la date fixée par le gouvernement Belge. Cette mesure exceptionnelle nous est imposée et s'inscrit dans un contexte de force majeure avec lequel nous devons tous être solidaires.

Nous privilégions dès lors **l'échange exclusivement électronique et téléphonique**. Le cas échéant, les copies papier pourront toujours être déposées à la réception de la FEB, rue Ravenstein 4, 1000 Bruxelles.

» CEPANI SECRETARIAAT VOLLEDIG OPERATIONEEL TIJDENS DE COVID-19 CRISIS

Vereisen de overheidsmaatregelen die op 12 maart laatstleden werden genomen dat wij onze kantoren sluiten. Echter, garanderen wij **de continuïteit van onze werkzaamheden** achter gesloten deuren, en dit van 16 maart tot en met 17 april aanstaande. Dit is, tot nader order, de door de Belgische regering vastgestelde datum. Deze uitzonderlijke maatregel die ons wordt opgelegd maakt deel uit van een context van overmacht waarmee wij allen solidair dienen te zijn.

Wij geven derhalve de voorkeur aan **uitsluitend elektronische en telefonische communicatie**. Indien nodig, kunnen papieren exemplaren nog steeds worden achtergelaten bij de receptie van het VBO, Ravensteinstraat 4, 1000 Brussel.

» COSTS CALCULATOR NOW ONLINE

CEPANI now offers on its website an user-friendly costs calculator for CEPANI arbitrations, on the basis of the value of the claim and the number of arbitrators to be appointed.

Arbitration

What is arbitration ?	
Rules	The arbitration costs shall include the fees and expenses of the arbitrators as well as the administrative expenses of the Secretariat.
Costs calculator	The fees and costs of the arbitrators shall be determined by the Secretariat depending on the amount in dispute and within the limits mentioned hereinafter.
Model documents	
Arbitrators	This scale (Schedule 1 of the Rules) applies to all proceedings introduced as from 1 January 2020 whichever version of the Rules is applicable to the proceedings.
Belgian legislation on arbitration	
FAQ	

Calculate the provision for arbitration costs thanks to the Cost calculator hereunder :

1 arbitrator

3 arbitrators

CALCULATE
